IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of H. Hofland, D. Lamons, and X. Meng
Application No. 09/996,838
Filed November 29, 2001
Natural and Anionic Colloidal Particles for Gene Delivery

Group No. 1632
Examiner Not Yet Assigned

(Atty. Docket No. P 23,643-A USA)

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to Commissioner for Patents, Washington, D.C. 20231, on Saturday, December 14, 2002.

Gene J. Yao

Commissioner for Patents
Washington, D.C. 20231

Sir:

Inadvertently, an IDS Transmittal and Form PTO-1449 Modified were sent on December 13, 2002 without the accompanying copies of the publications listed on the Form PTO-1449 Modified. In addition, Item AB of the Form PTO-1449 Modified erroneously indicated that Section 7.4 of Fitch was being submitted whereas the submission from Fitch consists of page 202 of Fitch (which contains material from Section 7.4 thereof) rather than the entirety of Section 7.4.

Group No. 1632
Application No. 09/996,838

December 14, 2002
Attorney Docket No. P 23,643-A USA
Page 2

With this letter, we have re-sent the IDS Transmittal and a corrected Form PTO-1449 Modified, along with accompanying copies of the publications listed on the Form PTO-1449 Modified. Accordingly, please disregard the IDS Transmittal and Form PTO-1449 which were sent previously on December 13, 2002.

We appreciate your assistance in this matter.

Respectfully submitted,

Gene J. Yao, Esquire
Reg. No. 47,193
